Adopted By: Village of Gadsby Council

Village of Gadsby AB

## Snow Removal Policy

Policy # 01-17

### Purpose:

To Establish a consistent cost-effective standard of practice for clearing roads of snow in the Village of Gadsby.

### Policy Statement:

It is the policy of the Village of Gadsby to clear designated roads as quickly and efficiently as possible after a significant snowfall or blowing and drifting which cause problems for traffic to move throughout the Village. Also recognize some roads have been assigned priority status.

### NOW THEREFORE, COUNCIL ENACTS AS FOLLOWS:

The CAO has authority to determine the sequence of priority and maintenance as set out in this policy.

#### 1. Road Clearing Priorities:

In order of Priority, *although not necessarily in sequence*, the following areas have been determined:

**First Priority:** *With a minimum of Three (3) inches of snow fall*

- a) Alberta Avenue
- b) Third (3<sup>rd</sup>) Street
- c) Railway Avenue

**Second Priority:** *With a minimum of Six (6) inches of snow fall*

- a) First (1<sup>st</sup>) Street South
- b) First (1<sup>st</sup>) Street Alley North and South
- c) Second (2<sup>nd</sup>) Street North and South
- d) Prairie Avenue West
- e) Fourth (4<sup>th</sup>) Street North and South
- f) Fifth (5<sup>th</sup>) Street Alley North and South
- g) Fifth (5<sup>th</sup>) Street North

**Roads and Alleys may be plowed after significant blowing and drifting at the discretion of Administration.**
